Next to the centre of Gyenesdiás it is a beautiful, fully-furnished family house with garden for sale. Shops, surgery, school are all in the neighbourhood, however the house is at a still place. The real estate can be shared in 3 parts: on the ground floor two flats and on the top floor one other flat of a high standard were built. The house was completely renovated, it got a new roof, the house was inside and outside new painted and the covers were changed as well. It is ideal for living continuously and also for renting the flats.
