Next to Hévíz, in a picturesque environment it is a property in a dead-end street, with all-time panorama for sale. It is really a unique real estate, You can see from here the landscape from Rezi to Fonyód. The property on the upper part of the plot can be built-in by the ideas of the owner; on the under part it is a smaller one-floor family house. It can be ideal for 2 families also! There is a well and a garden lake with significant fish stock. Beautiful, spacious garden belongs to the property.
