From Spa Hévíz 0 km, 0 min.

Energy efficiency

The first school of Hévíz was completely renovated (roof, insulation, tiles). There are currently 4 smaller residential units in the building, which are also suitable for rent. The property itself is a business opportunity. The high quality also reflects in the design and maintenance of the garden.

Features

- Commercial properties
- Extra quality
- Hévíz property
- Shopping area nearby
- Thermal bath nearby
- Traditional property
