Energy efficiency **AA**

This newly built real estate is an ideal choice for anyone who looking for a modern and energy-efficient home. Its central location provides convenient access to all parts of the region. The house has 3 bedrooms, 2 bathrooms and a garage is also belonging to it. The building was built with 15 cm thermal insulation and triple-glazed windows, which provide excellent thermal insulation. The heat pump heating system and solar panels guarantee additional energy savings and environmentally friendly operation. Energy classification of the property: AA.
