Energy efficiency

The family house for sale is located in Kehidakustány, in a quiet neighbourhood. There are excellent opportunities for hiking and recreation in the area. There is also a thermal bath near the house. The property is in good condition and can be moved into immediately. The new owner has the opportunity to creatively rebuild or modernize the house. Thermal bath and restaurants are located near the property and because of it, it can be an excellent opportunity to use it as a tourist accommodation. The family house has a large garden. The outbuildings include a small room for garden tools, a summer kitchen and a garage. The neighbourhood is quiet and peaceful, but still close to the center of the settlement and the thermal bath.
