For sale: a stylish, energy-efficient home with a large 38 m² terrace and numerous comfort features. Heating and cooling are provided by a Daikin heat pump system with underfloor heating and ceiling cooling, ensuring a pleasant indoor climate year-round. The property has daytime electricity supply of 3×20 A, an H-tariff, as well as night-rate electricity (3×25 A), which further reduces operating costs. The landscaped garden is equipped with an automatic irrigation system, and there is a covered parking space for two cars. The price includes the fitted kitchen furniture, built-in appliances, and the entryway furniture, allowing the new owner to move in and enjoy the property immediately. An ideal choice for those seeking modern solutions, low utility costs, and a well-kept environment with quality finishes.
