Energy efficiency

This ground-floor apartment with a balcony, located in the green area of Hévíz, is an ideal choice for those seeking a quiet and comfortable home. The brick-built condominium boasts a tidy exterior and always clean stairways. The property's central gas heating and plastic double-glazed windows ensure an energy-efficient and peaceful living environment. The kitchen is fully equipped, with furnishings and appliances ready for culinary experiences. The new, modern bathroom offers the perfect combination of comfort and style. The purchase price includes the furniture, making it immediately move-in ready. Parking is conveniently available in the lot in front of the building.
