Energy efficiency

Apartment - fully renovated in 2020 - in the heart of Hévíz is for sale. The property was renovated using only quality materials, has a modern design, new kitchen appliances and is ready to move in. It is a perfect choice both as a home and as an investment, thanks to the popularity of the town and its tourist attraction. Because of its excellent location, the entrance to the Lake Bath is just a few minutes walk away from the flat.
