Premium living directly on the shores of Lake Balaton! In one of the most beautiful waterfront locations of Keszthely, a premium residential complex is being developed, consisting of 120 apartments across five individually designed buildings, envisioned in a modern architectural style. The aim of the project is to offer true 21st-century homes to those seeking luxury, tranquility, and long-term value. The apartment includes a 11.36 m² terrace. An outdoor parking space is provided as a convenience feature of the property and must be purchased for HUF 3 million, in addition to the advertised price. The apartments feature an A++ energy rating, ensuring low maintenance costs and sustainable living. They are built using the most advanced technical solutions, including geothermal heating systems, solar technology, durable materials, and thoughtfully designed layouts. Whether as a family home, an exclusive holiday residence, or a long-term investment, these properties meet the highest expectations. A home for every lifestyle! The spacious, deluxe-sized apartments are ideal for families who wish to enjoy the proximity of Lake Balaton as part of their everyday life, while benefiting from the city's excellent infrastructure, schools, and safe environment. Studio apartments are a perfect choice for singles or investors, some offering stunning panoramic views of Lake Balaton. The penthouse apartments located on the top floor of the complex represent the pinnacle of premium living, with expansive terraces and uninterrupted panoramic views—ideal both for relaxation and
