Energy efficiency

Features

- Near lake
- Traditional property

We would like to recommend this excellent property to both investors and private person as well, which real estate is located in the Somogy county, on the southern shore of lake Balaton. This modern mansion was started to build in 1985 in a picturesque surrounding, the exterior of the building is completely finished, but the interior is only in 30% completed. This great property is located along the lake Rakita.
