This property offers an excellent business opportunity. The 71329 m2 plot is classed "m-1" and has many construction possibilities. The real estate can be an ideal choice for vineyard or fruit growing and can even function excellently as an estate center. For the purpose of tourism, a 40-bed accommodation can be built on it. In addition, a spacious home of up to 200 m2 can be built on the plot for private individuals. Please contact our sales colleagues for more information!
