In Nemesbük, we are offering a panoramic building plot for sale. The property is located in an Lf4 zoning area, which allows for the construction of a family house directly on the boundary. The building coverage is 30%, and the maximum building height is 5 meters. The minimum developable plot size is 1200 m², which is an ideal size. In terms of utilities, gas, water, electricity, and telecommunications are available in front of the plot, making the project easy and quick to start.
